

Are you an educator looking to help your preschool students jumpstart their language??

## JOIN THIS ONLINE, ON-DEMAND PROFESSIONAL DEVELOPMENT FOR PRESCHOOL EDUCATORS

Grow your confidence in using daily preschool routines, such as snack, centers, and circle time, to build language skills in your 3, 4, and 5 year old students!

### What will I learn?

- ✓ The difference between Speech and Language
- ✓ Tips for setting up the class
- ✓ Simple strategies to build language
- ✓ Easy to implement activities to build language skills
- ✓ How to use classroom routine to build speech and language
- ✓ When to refer your students for an assessment

### What is included?

- ✓ Immediate access to 9 pre-recorded modules - two year access
- ✓ Copies of Slides
- ✓ Loads of Handouts
- ✓ Print and Go Activities and Visuals to supplement the activities suggested

### Who is this for?

- ✓ Any Preschool Educator working with children ages 3-5
- ✓ Educators who want to build language skills and don't know how
- ✓ Educators who have been given recommendations but have no support in putting them into action
- ✓ Educators who want to support their students speech and language skills but don't have time to figure out how or to prepare extra lessons

# Be a Language Rich Educator and jumpstart your students' language skills!

## Testimonial

"As a preschool teacher, I have personally worked with Anna in the classroom for many years. Her ideas practical, easy to implement, and effective. her suggestions and ideas do not overwhelm me - they encourage me. When she told me she was lcreating this course, I knew it was going to be incredible. I would recommend this course to any Preschool Educator."
